DESIGN DIVISION

English design in a true traditional 18th Century manner is expressed in the brilliant Sherwood Group.

The 5572F desk has a spacious working top measuring 72" x 38" and stands 30" high. It is regularly furnished with a 3-panel gold tooled leather top and flush base. Also available with quarter-matched butt walnut top and an apron base.

Combining styling with usefulness, the desk's right hand pedestal contains 4 drawers, including a small drawer at the top and three regular drawers. The left pedestal contains a small drawer at the top, double file drawer and another regular drawer at the bottom.

Center drawer carries a utility tray and lock which controls the pedestal drawers.

Matching table 5572-T has a 72" x 32" top, is 30" high and made with quarter-matched butt walnut top, and has one center drawer.

Hand-glazed walnut finish gives a striking beauty to the wood. Antique brass hardware adds an effective and pleasing distinction to these desks.

The executive furnishing his office with the Sherwood Group is assured of finest design and materials in true traditional pieces by Stow & Davis craftsmanship.

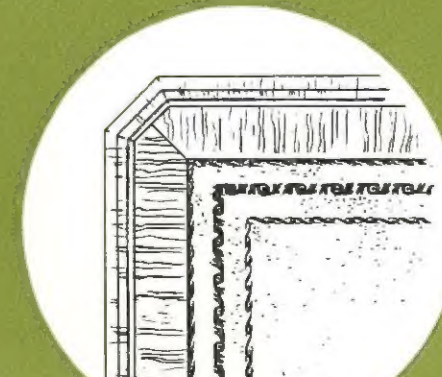

Number 5572F Desk—72" x 38" x 30" H.

The desk may be furnished in an alternative styling with an apron type base (as illustrated at the right) and a quarter-matched butt walnut and bordered top.
